Dear Chuck,

LiUNA! Local 81 is a labor union with nearly 1,400 members. Our jurisdiction includes Lake County East of Cline Avenue, Porter County, La Porte County, and Starke County. Working people are affected by legislative decisions. We support candidates who support family sustaining wages and make the tough decisions that are in the best interest of our members and our community.

On behalf of LiUNA! Local 81, I am honored to officially endorse your candidacy for IN House of Representatives District 10 in the upcoming election. This endorsement will be communicated to our membership.

Sincerely yours,

Corey Campbell
President and Business Manager
