Your voting record reflects the values of our organization and the social work profession. In addition, we are pleased with your support of our profession and willingness to collaborate with us to make Indiana a better place for all Hoosiers.

As we approach the 2024 election, we at NASW are working tirelessly to encourage voter registration, campaign work, financial support, and turnout for our endorsed candidates by mobilizing thousands of members across the state of Indiana. We will be announcing your endorsement next week via social media and an email blast to our members.
